## COFFEE CUP SLEEVES

We love this creative and simple stamp look on Carrots n' Dates' coffee sleeves. This brown slip dresses up any plain coffee cup without breaking the bank. Our typesetters recommend the MarkMaker self-inker for this elegant logo application.

## COASTERS

When the wedding dress and bow ties aren't the only details that matter, our stamps can add that personal touch to really make a statement wedding. Our ProStamps are the perfect accessory to impress your guests with custom table coasters at any event. Great for a casual night at home, or a special occasion.

## PRODUCT PACKAGING

Stamped gift packaging make a rustic and charming presentation for those personalized or custom gifts and products. This vintage look is a popular favourite amongst the do-it-yourself trend-setters - especially for those on a budget.

## CUSTOM LABELS

FROM:  
The *Sterling* Family

Build on your custom branding skills with our Xstamper creation essential. Available in black, blue, red, green and purple! Switch it up from traditional black ink and add some colour to your designs.

# SHOPPING BAGS

A clean, sleek stamp design completes any paper shopping bag (non-coated). It is the finishing touch on a polished and classy look. Our Prostamps can provide the detail you need to complete your custom style.

# FABRIC BRANDING

Explore new ways to show off your branding and make the most of our countless stamping applications. Fabric prints are definitely on trend for artistically creating that minimalist brand look and feel. With our traditional natural rubber stamp and specialty ink pads, the possibilities may surprise you!

# LABELS & TAGS

Whether you're in the business of graphic tees or other fabric merchandise, your branded label is important advertising real estate. Show off your creativity and innovative style using our natural rubber stamp on fabric. Our specialty washable laundry marking ink allows for ingenious brand expression. Use different ink pads for different colours and surface materials!

# FOOD PACKAGING

Vintage is the new contemporary. With burlap making a comeback in food packaging, wedding themes, even home decor, this timeless shabby chic is a perfect canvas for any brand! This rustic, yet refined style can be achieved with our true rubber stamps and specialty ink pads.

## GIFT BOXES

Simplicity makes a statement. Packaging, when done right, can ultimately help sell your product. Get creative, draw attention and solidify your message. Our Xstamper, accompanied by an earth-toned material will complement your product with a natural feel.

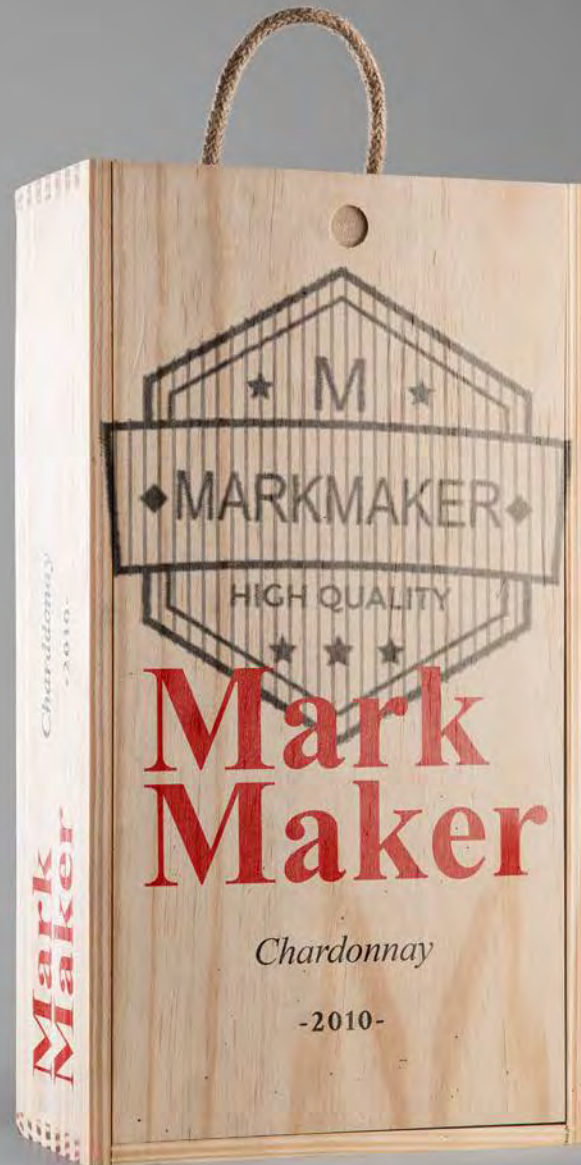

# MASON JARS

If you have the opportunity to be playful with your appearance, take it. This packaging is charmingly playful by using multiple materials, yet still simple. Stamping on different surfaces adds dimension and a unique element for any branding look.

# WOOD BRANDING

There's nothing quite like the glam of a rock 'n' roll look, especially when combined with a trendy modern style. Make a big impression only our rubber rocker stamps can pull off. Use two stamps to create this multi-coloured look!

## GIFT WRAP

Create a custom wrap design that complements the product or gift that's inside. We love this simple and natural brand look from Little King Goods. They used our self-inker to enhance the minimalistic style and attributes of their handcrafted genuine leather wallets to really make an impact.

## TO-GO BAGS

**CARROTS N' DATES**  
PLANT BASED & HEALTHY EATERY

Sometimes you don't need bells and whistles. This look can't get any simpler than this. Another great application by Carrots N' Dates using our Xstamper. This is a must-have for your business' packaging or marketing materials. Be sure to make the right impression time and again.

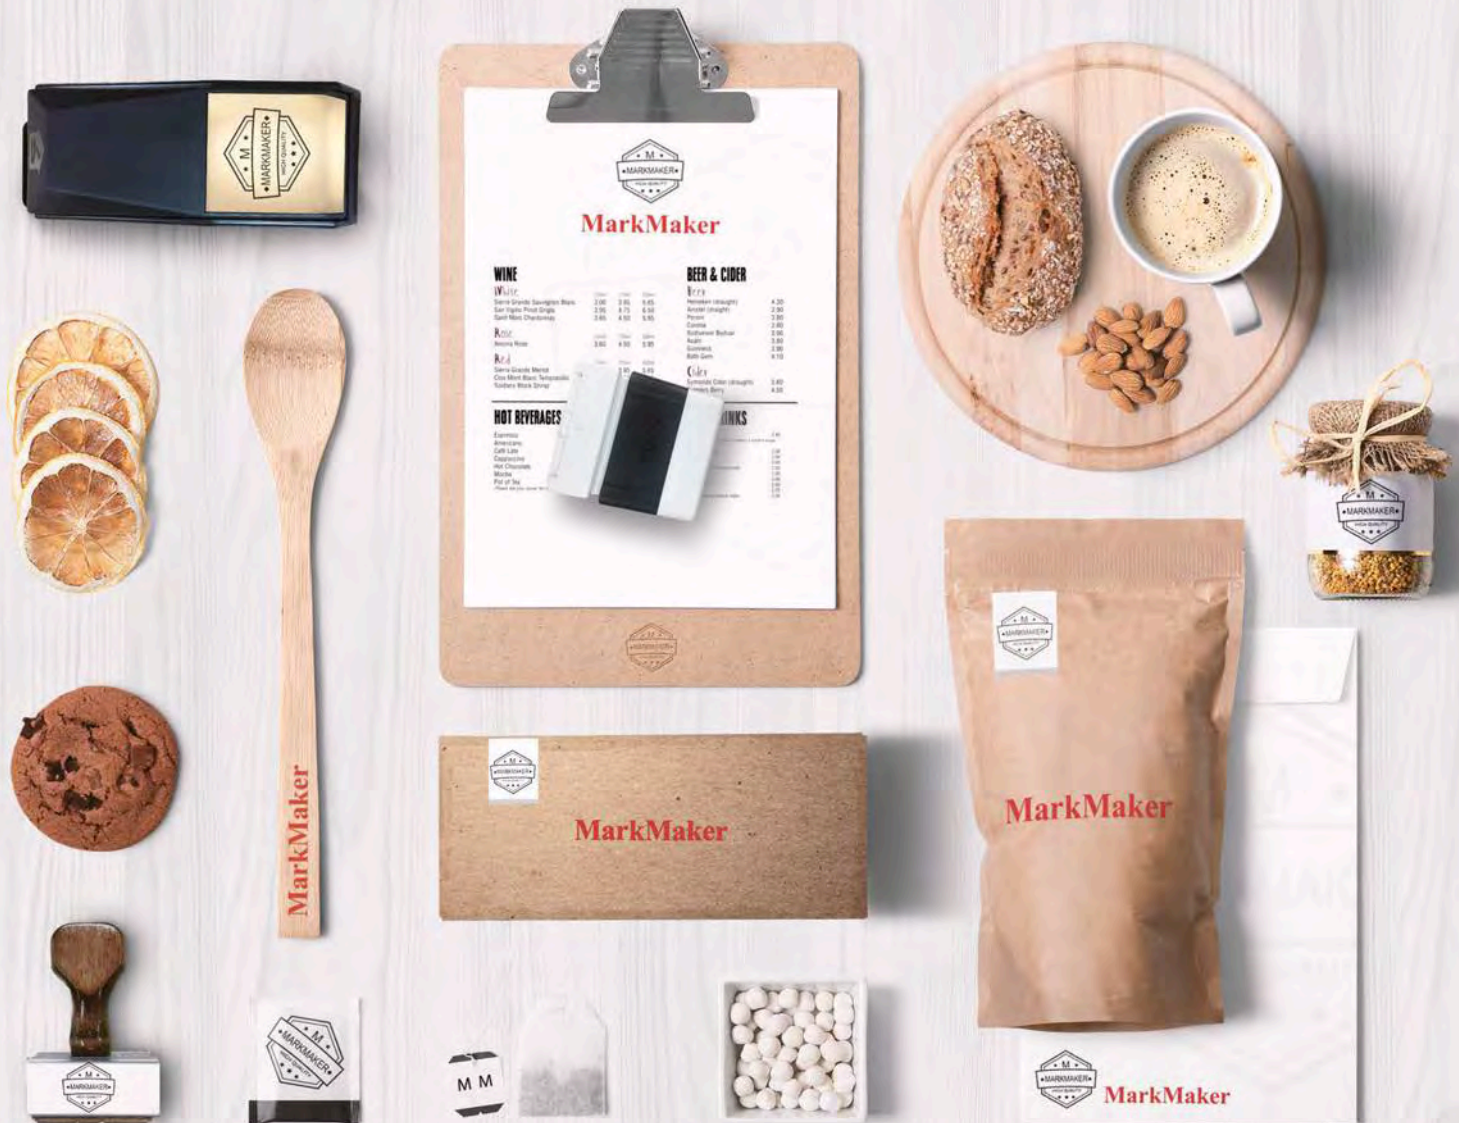

# PRODUCT TAGS

Jazz up your graphics by combining two different coloured stamps. Using multiple colours is a great way to stand out. Our self-inkers are perfect for accent colours including black, red, blue, green and purple. Dare to be different.
